2 considering?

3 A. I -- I mean, I know we have a vice
4 president of industry solutions.

5 Q. Who is that?

6 A. It's a woman by the name Laurie
7 Mitchell Keller.

8 Q. And is she connected with any
9 particular industry?

10 A. No. At her level she is working
11 across them like she did, as I understand,
12 previously at SAT at the president level.

13 Q. Did you -- do you recall in your
14 conversation with Ms. Rowe mentioning Kerry Harp?

15 A. No.

16 Q. Do you recall any other conversations
17 with Ms. Rowe about anything that was not
18 discussed today?

19 A. No, I really don't.

20 Q. Do you recall any other conversations
21 about Ms. Rowe with anyone that we've not
22 discussed today?

23 A. No, not that I recall.

24 Q. Is there any documentation you made
25 with respect to Ms. Rowe asking to be considered

2 for the role in Kirsten's organization?

3 A. I -- I don't know.

4 Q. Did you make any notes in GHire with
5 respect to that?

6 A. I -- I don't know. That would have
7 hinged -- I -- I don't know.

8 Q. Did you make any notes in Thrive with
9 respect to that?

10 A. Not that I recall.

11 Q. Do you create updates for Kirsten
12 similar to the -- to the updates you made for Mr.
13 Shaukat?

14 A. Each executive has a different way
15 they like to go about things. As I recall in
16 supporting Kirsten it was much more ad hoc, kind
17 of a key indicator at the pace at which we're
18 having market activity as a recruiting team and
19 then like at the drop of a hat being expected to
20 jump on a -- on a call with a senior executive
21 like Kirsten to provide a little bit of a -- of a
22 status update, but it's much more ad hoc I would
23 say.

24 Q. Do you recall anything in writing
25 regarding Ms. Rowe that you communicated to

Kirsten?

A. I don't recall.

Q. Other than the head of financial services role with Mr. Shaukat's organization and the head of financial services role in Kirsten's organization, are you aware of any other Level 9 or Level 10 roles that is -- that are in process with respect to financial services or relating to financial services?

A. No, I'm not. No.

MS. GREENE: All right, give me just one second.

Okay. I have no further questions.

Mr. Gage, do you have any questions?

MR. GAGE: I have no questions and the witness will read and sign.

MS. GREENE: Okay. That's it for us today, Mr. Vardaman. Let the court reporter take us -- the videographer take us off the record and then we'll be able to leave.

THE WITNESS: Okay.
